2021 BIBLE READING PLAN AND CHALLENGE

The 19th Century Scottish minister, Robert Murray M'Cheyne, (sometimes spelled McCheyne) who lived from 1813-1843, prepared a plan for Bible reading to take readers through the New Testament and Psalms twice a year, and through the rest of the Bible once each year. There are approximately four chapters per day in this plan.

Originally M'Cheyne listed two columns labeled "Family" and two labeled "Secret." He intended that the Scripture listings in the "Family" columns be read in family devotions, and those in "Secret" columns be read privately, in personal devotions.

The following plan allows you to read through the entire Bible in a year. Embrace women's ministry of the Baptist State Convention of North Carolina encourages N.C. Baptists to consider using this plan in your family and personal devotions. Take our Embrace Bible Reading Challenge!
