PRAYERWALKING

PRAY
TOGETHER.
GO
TOGETHER.

A guide for prayer and gospel sharing

INTRODUCTION

As we pray together, we must also go together and take the gospel to the unreached and least reached among us. In response to 30 days of focused prayer for unreached people groups and least-reached pockets of lostness throughout our state, we desire to see a number of local church-driven prayer walks among unreached peoples and in pockets of lostness. Ideally, a pray and go push would follow the 30 days of prayer for the least-reached places and unreached peoples throughout North Carolina. Consider reading this helpful article, "A simple prayer walk is a giant leap of faith." If you and your church utilized the small group guide for discussion and training alongside the 30 days prayer guide, you may not need to take time to train people on the day of the pray and go prayerwalk. They will already have the training necessary from the weekly small group sessions.

Consider using all of the resources connected to this "Pray Together, Go Together" emphasis.

SCATTERED

Pray & Go Prayerwalk

4-6 weeks prior

Announce the scattered prayer walk (pray and go emphasis) and provide a registration like this one. This registration will allow you to keep track of which families are registering to walk their neighborhoods, an address for the neighborhood they intend to prayer walk, and a few other things.

1-2 weeks prior

Send out training materials to those who have registered to prayer walk their own neighborhoods. Feel free to send additional training, but at least include the following components.

- “Prayerwalking Made Simple,” teach-watch video
- Train and practice care through prayer
- Testimony, train and practice the “6 Words”
- Gospeling, train and practice “3 Circles”

1-3 days prior

Send a reminder to all those who have registered to walk, encouraging them to post images of their walk on social media with the hashtag #prayandgo.

Day-of

Go, walk, pray, care for your neighbors and share the gospel with them.

1-3 days afterward

Consider hosting a zoom call with all registrants to debrief the time and share with one another how it went. Send an email to all registrants with training tools on how to follow up with those who wanted to know more or believe in Jesus. Take someone who is interested in knowing more through a simple seeker study to discover Jesus through the Bible, or disciple a new believer through the Bible in what it looks like to follow Jesus.
