

# 2023 BSCNC Youth Handbell Festival

**February 17-18, 2023**

**Friendly Avenue Baptist Church, Greensboro, NC**

**Clinician: Tim Waugh**

Trying something NEW for Youth in 2023!

You'll notice there is no division for Tins and Coppers this time. Due to our small numbers and the fact that many groups are starting back with new ringers, we decided to ring all together to support one another. We included a piece from last years list, *Revelation Song*, that may be considered a challenge piece. If your group needs to sit out on that one, it's totally fine!

As always, please check your library carefully, before ordering, in the event you already own a selection. We are excited about ringing together in 2023!
