

MISSIONARY HIGHLIGHT

**ROBERT & SHARON PINKSTON**

QUEBEC, CANADA

SEPTEMBER 6, 2020

Two North American Mission Board church planters, Robert and Sharon Pinkston, serve in Quebec, a province in Canada. Quebec is home to 8 million French speakers, and with only about 40,000 of them following Christ, there is a major need for new churches.

Hundreds of towns in Quebec do not have any kind of evangelical church. Robert and Sharon are witnessing to a huge, challenging mission field. While our church supports them financially through our Cooperative Program giving, they need our prayers, as well.

Robert believes that if the people of Quebec could hear the gospel, they would believe it. Many people are searching for solutions to fill their spiritually empty hearts. When Robert and Sharon share the gospel many Canadians respond with, "That's exactly what I've been looking for!"

Let's pray that Robert and Sharon can plant many new churches that will share the gospel with those who have not heard it. Ask God to call out hundreds of more missionaries to Canada. Let's also pray for God to soften Southern Baptist's hearts toward the spiritual depravity in Quebec.

*Thank you for your church's giving through the Cooperative Program.*
