

PREPARING YOUR CHURCH

As we prepare to join Baptist churches across North Carolina for the biggest one day baptism in the history of our state, Church Planting NC is encouraging our tribe to:

- Begin a series on **Aug. 1** designed to engage their congregation to pray for their “one,” live on mission, invite to church, and share the gospel using tools such as:
 - Write the names of their “one” during invitation time of the **Aug. 1** worship gathering. (names on post-its, a cross, a wall, etc)
 - Participate in churchwide Bible study, 40-day Bible study, YouVersion reading plan, etc.
 - Prepare **Aug. 29** for One BIG Day: Challenging the whole church to show up together — preach clear simple gospel. Best teams, best music, best gospel message, best invites — One BIG Day will put people in the baptismal Sept. 12
 - Promote the “Fill the Tank” digital prayer guide
 - Engage the church to participate in random acts of kindness, giving away a church invite card with each act.
