

METRO CHARLOTTE

By all appearances, Metro Charlotte seems to have it all. Charlotte is the 17th largest city in the U.S. and often tops the list of fastest growing cities in America. It's the banking center of the south and home to numerous professional sports teams. Churches dot the landscape with frequent regularity, adding to the area's attractive appearances. However, 22% of Charlotte's children live below the poverty line. Residents live among a higher-than-average crime rate. Today, "nones" (those claiming no religious affiliation) outnumber evangelicals two to one. Metro Charlotte is well on its way to becoming a spiritual wasteland. Now is the time to engage this area with the gospel of Jesus Christ, to see the radical transformation of people, neighborhoods, the city and the region.

METRO CHARLOTTE

[PRAYER PROMPTS]

- 1 Pray that the churches of Metro Charlotte would have an awakened passion to engage the lost with the demonstration and proclamation of the gospel.
- 2 Pray that our churches would see those groups of people who have been historically overlooked.
- 3 Pray for gate keepers and people of peace to be discovered in people groups and communities.
- 4 Pray that the Lord of the harvest would raise up workers who are ready to lay aside their comforts and preferences to seek and disciple the lost.
- 5 Pray for a reproducing gospel presence on each college campus.
