

MinistrySafe[®]

Preventing Sexual Abuse

- Awareness Training:** Live and online instruction and testing to recognize abuse and abuser behaviors
- Skillful Screening Process:** Recognizing high-risk individuals during the hiring and recruiting process
- Policies and Procedures:** Paperless, editable forms that fit your program's unique needs
- Background Checks:** Search of past criminal records, tailored to the applicant's position
- Monitoring and Oversight:** Customizable online management platform

Are children in your ministry program safe?

- 90% of victims are abused by someone they know and trust.
- Sexual abusers have NO visual profile.

MinistrySafe is the only sexual abuse prevention program designed by attorneys who litigate sexual abuse cases

Gregory Love and Kimberlee Norris are partners at the law firm of Love & Norris, a national sexual abuse litigation practice, representing hundreds of victims of child sexual abuse.

See www.LoveNorris.com.

Love and Norris also serve as directors of MinistrySafe, created to help churches and ministries address the risk of child sexual abuse. **MinistrySafe: sexual abuse prevention designed by experts.**
