

TRIAD

The Triad population center includes Guilford, Forsyth, Rockingham, Surry, Stokes, Yadkin, Randolph, Davidson and Alleghany counties. Some 500 North Carolina Baptist churches dot the landscape of the counties. The church-to-population ratio is high compared to most places in the United States; however, the percentage of people without a relationship to Christ is growing. Across the area, an average of two out of every three people are uninvolved in any faith community or congregation. An increasing number of people from some of the world's most unreached people groups have come to call the Triad home. These, along with many other hard-to-reach population segments, give rise to 40 pockets of lostness in these nine counties.

TRIAD

[PRAYER PROMPTS]

- 1 Pray for the Triad's 40 pockets of lostness, areas where more than 2/3 of the population do not have a relationship with Jesus. Pray for disciples to be made in each pocket among hard-to-reach groups of people.
- 2 Pray for the establishment of a reproducing gospel presence on the Triad's many college and university campuses.
- 3 Pray for the revitalization of many declining churches.
- 4 Pray for current and future church plants within pockets of lostness.
- 5 Pray for kingdom partnerships with churches and associations that will impact lostness.
