I have created this document to compare four popular choices for church membership software. Churches of all sizes and denominations use these because it is easy to use, affordable, keeps data at your fingertips, and it can be customized for your ministry. Here are some of their benefits: [Click here to view this online.](#)

- Accounting Integration
- Attendance Tracking
- Built-in Accounting
- Child Check-in
- Event Management
- Member Directory

- Member Portal
- Multi-Site Management
- Online Giving
- Pledge Management
- Small Group Management
- Volunteer Management

Aware3 vs Breeze ChMS vs Realm vs Servant Keeper

Best For

Who Uses This Software?	Today we serve churches of all sizes across the US and Canada. We serve churches of 25 up to 22,000.	Small to mid-sized churches who are on a shoestring budget and do not necessarily have the resources for an IT staff member, yet would still would like to have a powerful and flexible system.	Realm is designed to meet the needs of all churches. The pricing is based on average weekly attendance to give churches of all sizes an affordable solution.	Churches of all sizes and denominations use Servant Keeper because it is easy to use, affordable, keeps data at your fingertips, and it can be customized for your ministry.
Target Customer Size (Users)	1 - 1000+	1 - 999	1 - 1000+	1 - 1000+
