

COASTAL

[PRAYER PROMPTS]

As the Strategic Focus Team looks forward to adding a team member at the appropriate time for the Coastal region, you are encouraged to continue in your prayers for the associations and churches in this part of the state as they continue their ministries to impact lostness through disciple-making.

COASTAL

[PRAYER PROMPTS]

- 1 Pray for government officials and leaders. Pray that Christ's touch will be on their lives to be people of Christian influence and that they will have courage to be missionaries in the workplace.
- 2 Pray for disciples that make disciples.
- 3 Pray for spiritual leaders already in the area and those that will emerge.
- 4 Pray for the calling of God upon the churches and individuals to reach students on the college campuses.
- 5 Pray for God's leading of the selection of the Coastal Strategist.
