

METRO CHARLOTTE

[PRAYER PROMPTS]

Metro Charlotte is the region of North Carolina that houses the most individuals, family units and people groups in our state. Charlotte is the banking capital of the Southeast with influential leaders that make an impact across the world in many different countries. God has brought the world to Metro Charlotte with many unreached people groups infiltrating the city and the suburbs around the city. Metro Charlotte is ripe unto harvest and prayer for this region is vital to engage lostness and seek to make disciples.
