

UNIFOUR

The greater 'Unifour' population center is situated in the Western Piedmont area of North Carolina, including Gastonia, Kings Mountain and Shelby. This area has been referred to by some as the "Foothills" and by others as the western piedmont of North Carolina. Work in the greater Unifour area takes place through partnerships with numerous Baptist Associations: South Yadkin, Catawba River, Catawba Valley, Alexander, South Fork, Greater Gaston, Greater Cleveland County, Rowan, Brier Creek, Brushy Mountain, Caldwell and South Mountain. These associations partner together with the Baptist State Convention of North Carolina to reach both native-born Americans and ethnic groups living in this area's pockets of lostness.

UNIFOUR

[PRAYER PROMPTS]

- 1 Pray that Baptist churches will initiate and nurture a disciple-making culture, so that unreached neighbors will have multiple opportunities to hear and respond to the gospel.
- 2 Pray that believers will have a heart for “neighbors next door”- people from other nations who have made North Carolina their home.
- 3 Pray that plateaued and declining churches will be revitalized.
- 4 Pray for pastors to be bold, disciple-making leaders, leading their churches to reach their changing neighborhoods with the gospel.
- 5 Pray that ethnic churches and pastors will see their unique role in reaching lostness in North Carolina.
